

ELECTRONICS PENSION SCHEME

WELCOME TO

LEONARDO ELECTRONICS PENSION SCHEME

THE NEW NAME FOR THE SELEX PENSION SCHEME

JANUARY 2017

A NEW NAME AND A NEW LOOK

We're delighted to present the new branding for your pension scheme. Here, we explain what's new and what's staying the same, along with why these changes have been made.

WHAT'S CHANGING?

- **A new name for the Company**

On 9 September 2016, the Company name was changed from Selex ES Ltd to Leonardo MW Ltd.

- **A new name for the Trustee**

On 28 December 2016, the name of the Trustee changed from Selex Pension Scheme (Trustee) Ltd to Leonardo Electronics Pension Scheme (Trustee) Ltd.

- **A new name for your Pension Scheme**

On 1 January 2017, the name of the Scheme was changed from Selex Pension Scheme to Leonardo Electronics Pension Scheme.

- **A new website address**

The Scheme's website can be found at:
www.leonardoelectronicspensions.co.uk

- **A new email address**

You can contact the Scheme using
leonardoelectronicspensions@aonhewitt.com

WHAT'S STAYING THE SAME?

- **Members' benefits**

There are no changes to your benefits in the Scheme; this is a rebranding exercise to bring the Scheme name in line with the recent Company name change.

- **The Principal Employer**

The Scheme's Employer remains the same Company. It just has a new name and a number of other businesses in the Leonardo Group have been transferred into it. As part of the business reorganisation, Leonardo MW Ltd has taken over responsibility for all the Leonardo group UK pension schemes.

- **The Trustee Board and PCC**

The individuals sitting on the Trustee Board and the Pensions Consultative Committee remain the same.

- **The Scheme Administrator**

Aon Hewitt continues to be the Scheme Administrator, with the same administration team.

- **The Scheme helpline: 0345 603 5660**

You can continue to use the same helpline number and the Aon Hewitt postal address.

WHY ARE THESE CHANGES BEING MADE?

The Company wants to ensure that your pension scheme shares the new Leonardo corporate identity and that it reflects the new branding of the business, which is now one Leonardo company within the UK.

HOW WILL IT AFFECT ME?

You can expect to see Scheme forms, letters and other communication materials updated to carry the new Scheme name.

If you are a pensioner member, your pension payslip will show the new Scheme name and you will notice a change in the reference used on the payment into your bank account.

GETTING IN TOUCH

DO I NEED TO DO ANYTHING?

Please keep a note of the new website address for the Scheme and the new member contact email address. The old addresses will only continue to work for a transitional period but you can start using the new website and email addresses straightaway.

Otherwise, you don't need to take any action.
